

TROY UNITED SOCCER CLUB

2013/2014 Assessment and Tryout Dates

Troy United Soccer Club would like to welcome all eligible players to our annual tryouts. Tryouts for each team will be two(2) consecutive days and attendance at both sessions is mandatory to be eligible for selection. Please see the chart below for age group and dates for tryouts.

- Players for our U10 teams and up are selected and placed onto TUSC teams based on, but not limited to, ability, attitude, and commitment.
- All players are accepted onto teams for our U8 & U9 ages but attendance is required at assessments to ensure proper placement.

All tryouts will take place at Troy Buchanan High School on the assigned dates.

Registration is required prior to tryout date and can be found at troyunitedsc.com under the registration tab.

Players are required to wear shin guards, and bring a proper size and properly inflated soccer ball to the tryout.

For more information or questions please contact Technical Director Daniel Olstad at dolstad@troyunitedsc.com or by phone at 631-745-9286
